Using the USB 2.0 dock

The USB 2.0 dock is recommended for connecting Hi-Speed USB devices (iPods, USB flash drives, digital cameras, etc.).

You may also use low-speed USB devices (mice, joysticks, etc.) with the USB 2.0 dock.

Using the keyboard on computers with regular USB

The Tactile Pro 2.0 is also compatible with computers that only support regular USB, but your data transfer speeds through the USB 2.0 dock will be slower with regular USB.

If your computer has both USB 2.0 and regular USB ports, make sure that the gold-colored USB 2.0 dock connector is plugged into a USB 2.0 port, for faster data transfer.

TACTILE PRO 2.0 KEYBOARD LIMITED WARRANTY

Matias Corporation (“Matias”) warrants to the original end user (“Customer”) that this product will be free from defects in workmanship and materials, under normal use, for 1 year from the date of original purchase from Matias or its authorized reseller. Matias’ sole obligation under this express warranty shall be (at Matias’ option and expense) to repair or replace the product or part with a comparable product or part. All products or parts that are replaced become the property of Matias.

LIMITATION OF LIABILITY

To the full extent allowed by law, Matias excludes for itself and its suppliers any liability (whether based in contract or in tort, including negligence) for incidental, consequential, indirect, special or punitive damages of any kind, or for loss of revenue or profits, loss of business, loss of information or data, or other financial loss arising out of or in connection with the sale, installation, maintenance, use, performance, failure, or interruption of this product, even if Matias or its authorized reseller has been advised of the possibility of such damages, and limits its liability to replacement, repair, or refund of the purchase price paid, at Matias’ option. This disclaimer of liability for damages will not be affected if any remedy provided herein shall fail of its essential purpose.
